“One day all the lies will collapse under their own weight, and truth will once again triumph”

– Joseph Goebbels

The following article contains excerpts from Hellstorm: The Death of Nazi Germany 1944 - 1947, written by Thomas Goodrich. A Historian who while researching Hellstorm realized that much of what we have been told about the Second World War is false. Most of the crimes attributed to the Nazi Party in particular and the German people in general during the war were fabricated while actual atrocities committed against the defeated nation during and after the war have been covered up, including massive rapes, wholesale massacre, deliberate starvation, torture, wide-scale depopulation, and the attempted genocide of the entire German population.

“It is not true that I or anyone else in Germany wanted war back in 1939. It was desired and provoked solely by those international politicians who either come from Jewish stock or are agents of Jewish interests. After all my many offers of disarmament, posterity simply cannot pin any blame for this war on me...”

–Adolf Hitler

The pdf below helps prove Hitler did not want war; he was a man of peace. Hitler forbade the use of chemical weapons and did not allow the creation of nuclear weapons. Hitler also sent many peace treaties that were rejected by the allies. Hitler and the German army were the only ones abiding by the Geneva Convention, and shown much kindness and civility toward allied arms when no mercy and barbarous acts were shown toward the German armies and German civilians.

Let’s look at some of the perpetrators who did want war and the complete destruction of Germany and the absolute annihilation of its people. Everything that the Jews claimed to have “suffered” during the Second World War actually happened to the German peoples. Although, the atrocities endured by the German peoples were far worse than any Jewish fabricated lie.

Excerpt from Freda Uitley's book “The High Cost of Vengeance,” Unfortunately for the future, the revengeful attitude of some military government officials who were

Jews, the fact that Morgenthau gave his name to the policy of genocide, underwritten by president Roosevelt, and the abuse by many non German Jews of their privileged position as displaced persons have converted more Germans to anti- Semitism than Hitler's racial laws.

"After all Hitler was right; the Jews are the cause of German misery and the unjust treatment Germans receive at the hands of the victorious democracy,"

Theodore N. Kaufman (a Jew) author of "Germany must perish" which with in the book implemented a plan to have all German peoples sterilized. This genocidal scheme was supported and encouraged by Time magazine and the Washington post. Kaufman - "The goal of world dominion must be removed from the reach of the German, and the only way to accomplish that is to remove the German from the world."

Many Jewish writers before, during, and after the war sought to make the German peoples out as monsters and called for their complete destruction. One of the most influential Jewish writers and propagandist for the Red army Ilya Ehrenburg called for the complete extermination of the German peoples. "The Germans are not human beings. If you have not killed at least one German a day, you have wasted that day. If you can't kill your German with a bullet kill them with your bayonet. There is nothing more amusing to us then a heap of German corpses. Do not count days, count only the Germans you have killed. Kill the German - That is your grandmother's request. Kill the German - That is your child's prayer. Kill the German- That is your mother lands loud request. DO not miss Do not let through. kill... kill... Red army men, kill. No fascist is innocent, be he alive or yet unborn. "

And the soviets did just that...October 20th in Nemmersdorf and other near by communities, the Red army had broken through the German lines and began torturing civilians, raping women, and systematically murdering people. Eye witness report, "Down the road stood a cart, which four naked women were nailed through their hands in a crucifixion position. Beyond stood a barn where and to each of it's doors a naked woman was nailed through the hands in a crucified posture. "

"Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa, half of whose head had been sheared off with an ax or a spade. "

Every female as young as eight had been raped. Men who tried to protect the people were castrated and killed.

The above is only one tragic incident of the many that were yet to come. The horrors unleashed upon the German peoples, perpetrated by Jews are some of the ugliest crimes against humanity.

When German civilians heard the Soviets were coming or were close by, they expected the worse. They had heard horror stories about them and most German women expected to be raped at least once. But they were raped 30 to 40 times a night, women, and girls from 8 to 80 were raped.

“Frau komm!” [woman come!] were the most dreaded words a German woman could hear. Frau komm, that was the slogan. “The girls, women, and nuns were raped incessantly for hours on end, the soldiers standing in lines, the officers at the head of the lines, in front of their victims. During the first night many of the women were raped as many as fifty times. Some who resisted with all their strength were shot.”

Girls, just children, older women, ill or sick, all defiled in a beastly and brutal manner. Young boys who tried to protect their mothers or sisters from being raped were shot. Any men who tried to protect the women from being raped were beaten and shot, and any woman who resisted was shot. Not only were the young and old defiled, but also those of the deceased. One older woman had been raped to death, and still others were waiting for their turn.

In 1945 when Soviets captured the city of Neustettin, where there were several large camps of the Women’s Reich labor service, the Soviets unleashed depraved and nefarious tortures against the women. A young Brazilian Leonora Cava, since her country was on good terms with the allies she was accorded special treatment, and tells what she was forced to watch.

“Two Red Army soldiers brought in 5 girls. The commissar (almost all commissars were Jewish) ordered them to undress. When they refused out of modesty, he ordered me to do it. We crossed the yard to the former work kitchens, which had been completely cleared out except for a few tables on the window side. It was terribly cold, and the poor girls shivered. In the large, tiled room some Russians were waiting for us, making obscene remarks. The commissar told me to watch and learn how to turn the Master Race into whimpering bits of misery. Now two poles came in, dressed only in trousers, and the girls cried out at their sight. They quickly grabbed the first of the girls, and bent her backwards over the edge of the table until her joints cracked. I was close to passing out as one of them took his knife and, before the very eyes of the other girls, cut off her right breast. He paused for a moment, and then cut off the other side. I never heard anyone scream as desperately as that girl. After this operation he drove his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.”

“Weakly, they tried desperately to defend themselves, but it did them no good as the Poles grew even crueler. They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A

Russian shot one of the girls in the genitals before they cut off her breasts. Loud howls of approval began when someone brought a saw from the tool chest. This was used to tear up the breasts of the girls, which soon caused the floor to be awash in blood. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.”

The incident above is only one instance among many reports and tragedies that were to befall the German peoples. While Russians were looting and robbing German cities, homes, and peoples they also released prisoners into the public, where they too joined in on the looting and raping.

The Russian peoples while under communist control became numb, full of only hatred and resentment. They had almost nothing while under communist control and while looting German homes knew nothing of the modern world, and some Russian troops assumed that toilets were only for washing potatoes. They took everything they could, many German peoples were searched over 20 times for valuables, they even took their clothes right off their backs. After looting German homes, they destroyed them. Cutting up clothes and sheets, smashing trinkets and pictures, even defecating on beds, in living rooms, or even in cooking pots.

The defilement of the German peoples was not enough, Jewish politicians wanted their complete destruction. President Franklin Roosevelt endorsed the Morgenthau plan which called for the complete destruction of Germany and its people. And on early February of 1945 leaders of the three most powerful nations on Earth assembled, Winston Churchill, Josef Stalin, and Franklin D. Roosevelt, to discuss the future of Germany. “If she had any”- Winston Churchill. The three made plans to kill and starve as many Germans as possible, and enslave what was left of the German peoples.

Where there are actual documents of the plans to exterminate and enslave the German peoples, there are no trace of any documents of the Nazis supposed plan to exterminate the Jews. After the war had supposedly ended the abuse against the German peoples did not stop and many were enslaved. Another key player in yet another genocidal scheme against the German peoples was Eisenhower.

“Dwight David Eisenhower’s (Jew) loathing of all things German was nothing short of Pathological.” On May 8th he found himself in control of over 5 million enemy soldiers. While disregarding the Geneva Convention, German soldiers in American camps were starved, neglected, and in some cases outright murdered. Nearly one million German prisoners died in American and French camps. Eisenhower also transferred over 600,000 Germans east. Surviving the Soviet gulags was worse than the odds of escaping American and French death camps. Being sentenced to Siberia was almost always a death sentence.

On May 9th, in Czechoslovakia “So began a day as evil as any known to history,” - Juergen Thorwald. “They had equipped with everything that their aroused passions might desire, from hot pitch... to garden shears... they.. grabbed Germans, and not only SS men, drenched them with gasoline, strung them up with their feet uppermost, set them on fire, and watched their agony, prolonged by the fact that in their position, the rising heat and smoke did not suffocate them. They tied German men and women with barbed wire, shot into their bundles, and rolled them down into the Moldau River.”

Gert Rainer - “In a sadistic ecstasy, people turned public mass murder into a folk festival. Five young women had been tied up to an advertising pillar, the rope wrapped about them several times. Their seven children had been packed into a gutter of sorts at their feet. A Czech woman, perhaps 50 years of age, was pouring gasoline over the tied up mothers. Others were spitting in their faces, slapping them, and tearing fistfuls of hair. The oldest of them, laughing frenetically, lit a newspaper and ran around the pillar holding the burning paper to the gasoline soaked victims. The howling of the butchers grew louder. A young naked German woman, had each of her breast pierced with a large safety pin, from which Iron crosses were hung. A rod bearing a swastika flag at one end had been stabbed through her naval. ”

“You may kill Germans, it’s no sin,” a priest to a village mob cried.

At huge sports stadium, thousands of Germans were herded onto the field to provide amusement for the laughing, howling audience. They were tortured to death in every conceivable way. A pregnant woman whose belly, uniformed Czechs slashed open, ripped out the fetus and then howling with glee, stuffed a dachshund into the torn womb of the woman.

Similar purges of German minorities happened in Rumania, Hungary, and Yugoslavia...

The allied RAF bombers had bombed railways and destroyed nearly everything. Supplies like food and medical supply, already scarce, could not get to the camps. When American and British troops entered the camps they were outraged by what they saw. Many people had died from starvation and disease. (Again because they had destroyed supplies and the means to transport them where needed).

When the British and American troops “liberated” the camps they forced German men and women and children to dig up with their own hands the rotting remains and haul them to burial pits. If anyone wasn’t moving fast enough they were kicked, beaten with rifle butts, and prodded with bayonets, anyone who refused was shot. Because they were forced to handle the corpses with their hands death from diseases soon followed. Disarmed German soldiers were murdered in Guard towers. The allied troops wooded German Guards, many were shot in the leg so they couldn’t move, some were beheaded; others were ripped apart limb by limb. Many German soldiers were systematically murdered, put up against a

wall and shot down. Unaware of the deep hatred the allied armies had for them (due to Jewish propaganda), when some SS units surrendered they were shot.

The horrible atrocities endured and suffered by the German peoples have been swept under the rug and forgotten; little to nothing is know about what happened to them. Not only were their homes and lives destroyed but they were then blamed for what the Jews had done. Not only is this a disgusting truth but the threat of this happening to every gentile person, and in some places is happening now, will be inevitable if we do nothing about the problem.

“It is in Jewish interest, that whites experienced a genocide. Until white children are burned, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorized.”
– Ishmael Levitts

If you ever needed a motivator, take a look at what happened to the German peoples. Would you let your families suffer as they did? The brave soldiers of the German armies fought against Jewish tyranny, and many even when the war was lost choose to fight to the death. In this Age of Aquarius, the age of Satan many truths will be revealed to the world and things will change. You must assist; every dedicated Satanist must help if you want change. As my grandfather once told me, “Anything worth having... you will have to work for.” Work for Satan, for yourself, for the future of humanity to make a difference.
